

Q: Can I access digital resources on my Kindle?

If your Kindle is a **dedicated eReader** (such as a Kindle Paperwhite) it looks like this.

Yes, you can borrow eBooks from **Libby/Overdrive** in Kindle format. First borrow the titles using your computer or smartphone, then send to your Kindle eReader.

Read now with **kindle**

(Note: not all eBooks are available in Kindle format. If it's not in Kindle format, you won't see that option.)

If your Kindle is a Fire Tablet, it looks like this.

If it's 5th generation or higher (you purchased it in 2016 or later), **YES** you can borrow eBooks, audiobooks and digital magazines from Libby! Use the tablet's web browser to navigate to **libbyapp.com**.

And **YES**, you can access HooplaDigital content. Simply download the free Hoopla app from the Amazon Store to get started.
