Give the Gift of Reading and Learning

BOOK DEDICATION

MORE BOOKS, LESS WAIT TIME

Demand for books and electronic offerings has increased dramatically, far outpacing our budget. Help us continue to offer a wide variety of the reading and learning materials for the Caldwell community. All donations are used to buy copies of our most requested books, ebooks, and digital audiobooks.

A MEANINGFUL GIFT FOR A LOVED ONE

Dedicating a book is a special way to honor a loved one and to celebrate a special occasion, holiday, or family event such as a birth, graduation, or anniversary. Not only does it make a wonderful gift, but it gives back to the community and allows us to add more books to our shelves.

HOW IT WORKS

- Fill out the Book Dedication Form
- Return with a donation of minimum \$30
- Staff will insert a book plate in a new book with the parameters you provide and notify the recipient
